

# all in Q&A

## Can I start using my new cart right away?

Please do not use your new cart until the week of June 6.

## Will my pickup day change?

Your pickup day will stay the same and you'll still have weekly service.

## Can I still use my old green recycling bin?

You can keep your old bin for other uses, but starting the week of June 6, you must put all of your recyclables in your blue cart.

## What if I don't want my old bin?

If you no longer want your old bin, place it at the curb beside your new cart and we'll collect it.

## Where should I put my cart on my pickup day?

Carts must be placed at least 3 feet away from the curb, 3 feet away from your garbage container and 3 feet away from objects such as cars, trees and mailboxes.

## What items can go in my new cart?

A list of what can and can't go in your cart is on the cart lid (also available at [recycle.greenvillesc.gov](http://recycle.greenvillesc.gov)), but in general, we accept:

**Plastic Bottles,  
Jugs and Containers**  
Numbers 1 – 7 only.

**Paper**  
Mixed paper, cardboard,  
newspaper, junk mail.

**Aluminum and  
Metal Cans**

**Drink Cartons**  
Milk / juice cartons,  
drink boxes.

**NOTE: You can also recycle scrap metal, appliances and tires at the curb by placing them outside your recycling cart. Call to schedule a pickup for these items.**
